Community Partners Information Page

Tampa Bay, FL

April 26th, 2026

8.15 AM – 4.30 PM

Who We Are Looking For

BeyondBold is excited to partner with local Tampa Bay-based community partners for our April 2026 event! We are very excited for the chance to work with you and create a partnership that is mutually enriching and beneficial through this event.

We are specifically looking for people with an email and/or WhatsApp list of at least 100 people, who can help to promote the event and reach more women in their communities and circles.

About BeyondBold

We are working hard to create and develop forums that help women contend with escalating stress, the lack of support in menopausal and perimenopausal health, and the mental health epidemic we are experiencing today. Check out the links below to see what BeyondBold is all about:
